

Preparing for Adulthood

Are you looking for a course that can help you get ready for the next stage towards a successful career? Our **Preparing for Adulthood** course gives you the skills you need to go onto college, start an apprenticeship or general employment. We offer Construction, Engineering, Sports Coaching pathways or a mixture of all three. We can also tailor the course around your interests and career aspirations.

Through our City and Guilds accreditation you will complete a Diploma in Personal Progress.

Maths and English support will be available to all students who need help to achieve or work towards a Level 2 pass.
